

J A N E T E. C H I L D E R H O S E, PHD

CURRENT POSITIONS

- 2020 - Research Assistant Professor
Department of Internal Medicine, Division of General Internal Medicine, The Ohio State University (Columbus OH)
- 2020 - Research Assistant Professor
Center for Bioethics, Department of Biomedical Education and Anatomy, College of Medicine, The Ohio State University (Columbus OH)
- 2018 - Clinical Assistant Professor of Pediatrics (Gratis)
Division of Pediatric Clinical and Translational Research, University of Louisville School of Medicine (Louisville KY)

PAST RESEARCH APPOINTMENTS

- 2018 - 2019 Knowledge Broker
Canadian Centre on Substance Use and Addiction (Ottawa ON)
- 2015 - 2017 Hecht-Levi Postdoctoral Fellow
Berman Institute of Bioethics, Johns Hopkins University (Baltimore MD)
- 2013 - 2015 Postdoctoral Research Fellow
Center for Bioethics and Social Science in Medicine, Department of General Medicine, University of Michigan (Ann Arbor MI)
- 2009 - 2013 Research Associate
Department of Nursing Research, Research Institute of the McGill University Health Centre (Montreal QC)
- 2003 - 2005 Junior Visiting Fellow
University of Toronto (Toronto ON)
- 2002 - 2003 Junior Visiting Fellow
American Bar Foundation (Chicago IL)

EDUCATION

- 2010 Doctor of Philosophy, Anthropology
Department of Anthropology, McGill University (Montreal QC). Specialization: Medical Anthropology. 'Genetic Discrimination: Genealogy of an American Problem'
- 1996 Master of Arts, History and Philosophy of Science and Technology
Institute for the History and Philosophy of Science and Technology, University of Toronto (Toronto ON). 'The Hagahai Cell Line Patent and the Property Rights Arguments of RAFI'
- 1992 Bachelor of Arts, Honours Anthropology
Department of Anthropology, University of Waterloo (Waterloo ON). 'A Qualitative Study of Two Men's Support Groups in Kitchener-Waterloo, Ontario'

J A N E T E. C H I L D E R H O S E, PHD

AREAS OF EXPERTISE

Bioethics, opioids, emerging biomedical technologies, clinical and translational medicine, clinical genomics, bariatric surgery, clinical practice guidelines, physician remuneration, qualitative methods, systematic reviews, United States

EXTRAMURAL FUNDING

Research Extramural Funding

Current

2020 – 2021 Development of a Mobile Application to Train Adults with Sickle Cell Disease in Mindfulness-Based Pain Management
PI: Andrew Schamess, The Ohio State University
Role: **Co-Investigator**
Effort: 5%

2020 – Optimizing HEALing in Ohio Communities (OHiO)
MPI: Rebecca Jackson, The Ohio State University
Funding: NIDA, UM1 DA049417
Role: **Co-Investigator**
Effort: 10%

Previous

2018 – 2019 Youth-Centred Approach to Opioid Use Disorder Treatment
Funder: Health Canada and private funder
Canadian Centre on Substance Use and Addiction (CCSA)
Project Director: Jill Fairbank, CCSA
Role: **Principal Investigator**

2016 – 2018 'Engaged' Approaches to Participants Enrolled in Clinical Genomic Studies: Practices, Motivations, and Implications
Funder: Clinical Sequencing Exploratory Consortium, NHGRI (NIH)
PI: Kyle B. Brothers, University of Louisville
Role: **Co-Investigator**

2013 – 2016 Adolescent Shared Decision-Making for Clinical Genomic Sequencing.
Personalized Oncology Through High-throughput Sequencing: MI-ONCOSEQ
Funder: NIH: NCI/ NHGRI, USD \$7.97M
PI: Arul Chinnaian, University of Michigan Comprehensive Cancer Center
Role: **Research Staff**

2012 – 2014 Children's Psychological and Behavioral Responses Following Pediatric Intensive Care Unit Hospitalization
Funder: Canadian Institutes of Health Research, Open Operating Grant (5 years)
CDN \$845,100
PI: Janet E. Rennick, Montreal Children's Hospital
Role: **Co-Investigator**

J A N E T E. C H I L D E R H O S E, PHD

- 2003 Facing Our Future: Human Genetics, Ethics, Law and Society
Funder: Canadian Institutes of Health Research, CDN \$39,484
PI: Margaret Lock, McGill University
Role: **Co-Applicant**
- 2002 Emslie Horniman Scholarship Fund
Funder: Royal Anthropological Institute of Great Britain and Ireland
CDN \$6,063
Role: **Principal Investigator**
- 2000 – 2001 An Anthropology of the Body, Memory and Identity
Funder: Fonds pour la formation de chercheurs et l'aide à la recherche (Team Grant)
CDN \$180,000
PI: Margaret Lock, McGill University
Role: **Collaborator**

INTRAMURAL FUNDING

Research Intramural Funding

Previous

- 2017 – 2018 Comparative Study of Physician Remuneration for Chronic Disease Care across Canada
Funder: Canadian Centre on Substance Use and Addiction (CCSA)
PI: Amy Porath, CCSA
Role: **Co-Investigator**
- 2016 – 2018 Neurobehavioral Influences on Body Weight
Funder: Johns Hopkins University Discovery Grant
PI: Susan Carnell, Johns Hopkins University
Role: **Research Staff**
- 2015 – 2017 Pilot Qualitative Study of Adolescent Decision-Making and Experiences of Bariatric Surgery
Funder: PI personal funds
PI: Kimberley E. Steele, Johns Hopkins School of Medicine
Role: **Principal Investigator** (University of Michigan), **Lead Investigator** (Johns Hopkins University)
- 2007 Internal Social Sciences and Humanities Council Research Grant
Funder: McGill University, CDN \$2,500
Role: **Principal Investigator**

28. From Men's Rights to Children's Rights: The Transformation of the Anti-Circumcision Movement into the Genital Integrity Movement. Paper Presentation, Law and Society Association Annual Meeting (Budapest, Hungary, July 4-7, 2001).

PANEL CHAIR / DISCUSSANT

1. Making Room for Rights: Movements, Public Policy and the State. Chair and Discussant, Law and Society Association Annual Meeting (Boston MA, May 30-June 2, 2013).
2. Pushing the Boundaries on Theorizing Law and Social Movements. Discussant, Law and Society Association Annual Meeting (San Francisco CA, June 2-5, 2011).
3. State Actors as Shapers of Social Movements. Discussant, Law and Society Association Annual Meeting (Chicago IL, May 27-30, 2010).

GRADUATE STUDENT SUPERVISION: RESEARCH ASSISTANTS

1. Ariella Messing, MA, Degree Candidate, Doctor of Philosophy, Bioethics and Health Policy, Department of Health Policy and Management, Bloomberg School of Public Health, Johns Hopkins University (Baltimore MD). Research Assistant, pilot qualitative study of adolescent bariatric surgery (2016-2017).

J A N E T E. C H I L D E R H O S E, PHD

2. Amal Alsamawi, MPH, Health Behavior Health Education, University of Michigan, (Ann Arbor, MI). Summer intern and full-year independent study student (2014-2015). Awarded Best Student Presentation.
3. Tanvi Mehta, MHSA, University of Michigan (Ann Arbor MI). Research assistant and full-year work-study student (2014-2015).

TEACHING: COURSE INSTRUCTOR

1. Practical Projects (HBEHED 578) (Fall 2014), School of Public Health, University of Michigan (Ann Arbor, MI)
2. Writing a Grant Proposal: Dos and Don'ts (January 15, 2013), Nursing Research, RI-MUHC (half -day workshop for MSc-trained Clinical Nurse Specialists)
3. Writing a Grant Proposal: Dos and Don'ts (February 7, 2012), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
4. Writing a Grant Proposal: Dos and Don'ts (September 19, 2011), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
5. Ethical Issues in Qualitative Research (March 29, 2011), with Dr. Linda Furlini. Quality Assurance and Education Program, RI-MUHC (half-day workshop for clinical investigators, research coordinators, and nursing students)
6. Eureka! Fellowship Workshop (February 24, 2011), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
7. Writing a Grant Proposal: Dos and Don'ts (October 13, 2010), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
8. Writing a Grant Proposal: Dos and Don'ts (October 8, 2010), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
9. Writing a Grant Proposal: Dos and Don'ts (March 23, 2010), Nursing Research, RI-MUHC (half-day workshop for MSc-trained Clinical Nurse Specialists)
10. Introduction to Medical Anthropology (May-June 2002), Co-Instructor with Janalyn Prest. Department of Summer Studies, McGill University (Montreal QC)

TEACHING: MEDICAL STUDENTS

1. Preceptor, Obesity, Nutrition, and Behavior Change (December 21, 2016), Faculty of Medicine, Johns Hopkins University (1.5 hours)
2. Preceptor, Obesity, Nutrition, and Behavior Change (December 16, 2015), Faculty of Medicine, Johns Hopkins University (1.5 hours)
3. Preceptor, Surgical Management of Obesity, Obesity Intersession (October 13-15, 2015), Faculty of Medicine, Johns Hopkins University (1.5 hour seminar, 2 days)
4. Core Group Leader, Medicine and Society (February-March 2012), Faculty of Medicine, McGill University (6 hours per week for 5 weeks)
5. Core Group Leader, Medicine and Society (February-March 2011), Faculty of Medicine, McGill University (6 hours per week for 5 weeks)
6. Core Group Leader, Medicine and Society (February-March 2010), Faculty of Medicine, McGill University (6 hours per week for 5 weeks)

J A N E T E. C H I L D E R H O S E, PHD

7. Core Group Leader, Medicine and Society (February-March 2009), Faculty of Medicine, McGill University (6 hours per week for 5 weeks)
8. Core Group Leader, Medicine and Society (February-March 2002), Faculty of Medicine, McGill University (6 hours per week for 5 weeks)

TEACHING: GUEST LECTURES

1. Immersive Methods: Sociology, anthropology, ethnography. Master of Bioethics (MBE) 700.604: Methods in Bioethics (Instructor: Dr. Jeremy Sugarman), Berman Institute of Bioethics, Johns Hopkins University (Baltimore MD, March 7, 2017).
2. Adolescent Bariatric Surgery. Master of Bioethics (MBE) 700.602.01: Hot Topics in Bioethics (Instructor: Dr. Travis Rieder). Berman Institute of Bioethics, Johns Hopkins University (Baltimore MD, November 16, 2016).
3. Immersive Methods: Sociology, anthropology, ethnography. Master of Bioethics (MBE) 700.604: Methods in Bioethics (Instructor: Dr. Matt DeCamp). Berman Institute of Bioethics, Johns Hopkins University (Baltimore MD, December 11, 2015).
4. Perspectives on Genetic Discrimination. HBHE 669: Genetics, Health Behavior, and Health Education (Instructor: Dr. J. Scott Roberts). Health Behavior & Health Education, School of Public Health, University of Michigan (Ann Arbor MI, February 12, 2014).
5. Genetic Discrimination, GINA, and the Language of Genetic Defect. Department of Biomedical Ethics & Medicine, Mayo College of Medicine (Rochester MN, 2009).
6. The Perfectible Body. Department of Anthropology, York University (Toronto ON, 2008).
7. Biological and Genetic Citizenship. Department of Anthropology, York University (Toronto ON, 2007).
8. Access to the Field. Department of Anthropology, McGill University (Montreal QC, 2003).
9. Anthropological Approaches to Bodily Commodification. Department of Anthropology, McGill University (Montreal QC, 2001).

PUBLIC TALKS AND INTERVIEWS

1. Obesity Bias in Health Care Settings, Presentation to Trillium Health Partners, Mississauga, ON (November 2, 2017).
2. Adolescent bariatric surgery, Telephone interview with Julia Belluz, VOX (October 31, 2016).

PROGRAM DEVELOPMENT

1. Stigma Ends with Me. Project lead for full-day anti-stigma workshop, Canadian Centre on Substance Use and Addiction (Ottawa ON, November 29, 2018)
2. Hecht-Levi Fellow-Led Career Training, Berman Institute of Bioethics, Johns Hopkins University (Baltimore MD, 2017)
3. Comprehensive Approach to Child and Adolescent Health (COACH), School of Medicine, Johns Hopkins University (Baltimore MD, 2016)

J A N E T E. C H I L D E R H O S E, P H D

FELLOWSHIPS

1. Social Science and Humanities Research Council (SSHRC), Doctoral Fellowship, 2000-2002 (\$53,100)
2. McGill University, Max Stern Recruitment Fellowship, 1999 (\$14,000)
3. University of Toronto, Open Fellowship, 1995 (\$3,000)

SERVICE

- 2018 Early Career Advising Program, ASBH
- 2017 Ethics Breakout Group Facilitator, Henrietta Lacks High School Day
- 2015 – 2016 Baltimore Ethics Initiative, Johns Hopkins Berman Institute of Bioethics
- 2013 – 2017 Student mentor, Career Planning Service, McGill University
- 2013 – 2015 Patient and Family Centered Care (PFAC), C. S. Mott Children's Hospital, University of Michigan Health System
- 2013 – 2014 Mentoring Workshop Task Force, ASBH
- 2013 Planning Committee, Law and Social Movements Collaborative Research Network, Law and Society Association
- 2011 – 2013 Undergraduate Admissions Board, Faculty of Medicine, McGill University
- 2011 – 2013 Research Ethics Boards (Biomedical D and GEN-Research), Montreal General Hospital
- 2008 – 2009 International Activities Committee, Law and Society Association
- 2007 – 2009 Graduate Peer Educator, Career Planning Service, McGill University
- 2001 Hiring Committee, Department of Anthropology, McGill University
