

# Head and Neck Microvascular Fellow Boot Camp

September 23 - 25, 2022

Supporting Faculty:

### ABOUT THE COURSE

#### OBJECTIVES

This two day course will expose current microvascular fellows to both common and uncommon free flap procedures, indications, techniques, and the nuances of inseting, including soft tissue and bony inset.

<https://medicine.osu.edu/departments/otolaryngology/education/cme/fellow-bootcamp>

#### DESCRIPTION

In order to maximize the experience for participants we have put together an outstanding group of faculty from high volume training centers all over the country. We will have 19 stations with two fellows per fresh full-body cadaver and one prosection station. One faculty member per cadaver (minimum), soft tissue, bone inset and plating stations held at a beautiful, state of the art equipped facility.
