

Course Directors:

Matthew Old, MD, FACS
Associate Professor and Director, Division of Head and Neck Oncologic Surgery
Department of Otolaryngology - H&N Surgery
Program Director, Head and Neck Service Line
James Cancer Hospital/Solove Research Institute
The Ohio State University Wexner Medical Center

Chad Zender, MD, FACS
Associate Professor and Director, Division of Head and Neck Surgery
Vice Chair of Clinical Affairs & Translational Research
Department of Otolaryngology/ENT Institute
University Hospitals of Cleveland
Case Western Reserve University

Faculty:

Amit Agrawal, MD
The Ohio State University

James Netterville, MD
Vanderbilt – Ingram Cancer Center

Arnaud Bewley, MD
UC Davis Health System

Enver Ozer, MD
The Ohio State University

Joseph Curry, MD
Jefferson University Hospitals

Urjeet Patel, MD
Northwestern University

Antoine Eskander, MD
University of Toronto
Sunnybrook Health Sciences Centre

Stephen Kang, MD
The Ohio State University

Nicole Fowler, MD
University Hospitals/Case Western University

Rod Rezaee, MD
University Hospitals/Case Western University

Samir Khariwala, MD
University of Minnesota

Jason Rich, MD
Washington University in St. Louis

Kyle Mannion, MD
Vanderbilt – Ingram Cancer Center

Ted Teknos, MD
University Hospitals/Case Western University

Matthew Miller, MD
University of Rochester

Jason Thuener, MD
University Hospitals/Case Western University

Mark Wax, MD, FACS, FRCS
Oregon Health and Science University

Friday, September 28, 2018

6:00-7:30PM Reception for all - Faculty and Fellows and Resection course

7:30-10:00PM Resection course dinner, Faculty/Fellows panel (hotel)

Saturday, September 29, 2018

7:00AM Breakfast

7:30AM Introduction and Lecture

7:45AM Overview of Bone Flaps

- Fibula
- Scapula + Latissimus
- OCFFF
- Serratus Rib

8:45AM Review of Labs and Goal of AM

- Harvest Flaps and Evaluate Defects

9:00AM Lab Harvest

- 1 hour per flap – Prosections concurrent
- Microvascular stations (2), plating, other
- Regional Flap Prosection (JLN) concurrently

12:00PM BREAK

12:15PM Lunch and Recon Board

- Mandibular and Maxilla Defects – med modeling, osteotomies, etc

1:30PM Lab

- Insetting and Reconstruction

5:00PM Adjourned

6:30-9:00PM Course Dinner

- Panel Lecture During Dessert: 7:45-9PM
- Challenging Cases, Flap Disasters and What to do When All Goes Wrong
- Questions and Answers

Sunday, September 30, 2018

- 7:00AM Breakfast
- 7:30AM Introduction and Review of Soft Tissue Flap Uses
- RFFF, ALT, Lateral Arm, Rectus, Gracilis, Thoracoacromial Perforator Flap
- 9:00AM Dissections
- RFFF, ALT, Lateral Arm, Latissimus, Gracilis, Thoracoacromial Perforator Flap - 1-2 Prosections Before Each
Concurrent microvascular stations (2), plating, other
- 12:00PM Lunch and Reconstruction Tumor Board: Soft tissue defects
- Soft tissue defects (oral cavity, oropharynx, pharynx, skin)
- 1:30PM Further flap harvests and inseting
- Oral Cavity
 - Oropharynx
 - Pharynx
 - Skin Defect (Parotid, Face, Scalp)
- 5:00PM Adjourn
