Reminders

ATTN: Research Day 2023 podium presenters - Abstracts due May 5, 2023 to Irene

Research Office Hours:

- Dr. Lee in room #2117 every Friday from 10:30am-12:00pm
- Irene & Emily in room #2120 1st Friday every month from 10:30am-12:00pm

A Personalized Model for Predicting Postdischarge Opioid Dosage in Plastic Surgery Patients

Pictured above is Dr. Barker's recent publication and the infographic created in PRS.

Opportunities

The [Engagement Scholarship Consortium \(ESC\)](#) is providing financial support that helps facilitate positive outcomes for both scholars and communities through the Engaged Scholarship Research/Creative Activities Grants Program. Faculty and staff from ESC member institutions, including Ohio State, may apply for up to \$5,000 to fund a one-year project. Collaborative projects among faculty and/or staff from more than one discipline and/or at more than one university are encouraged.

Applications due May 5, 2023.

[CATALYST Clinical Scholars Program](#)

Click the link above for CATALYST. Clinical Scholars will receive the necessary support to begin to **develop a research program** during their training and mentorship years with the goal of becoming productive independent researchers at program completion.

Job Posting:

The [Mitchell Neuroplastic Surgery Lab](#) is recruiting a postdoctoral research fellow for basic science research. Contact Dr. Mitchell directly for inquiries (Kerry-Ann.Mitchell@osumc.edu).

Want to share your research? Contact Emily Rice at Emily.Rice2@osumc.edu
