# News Letter

January 2023

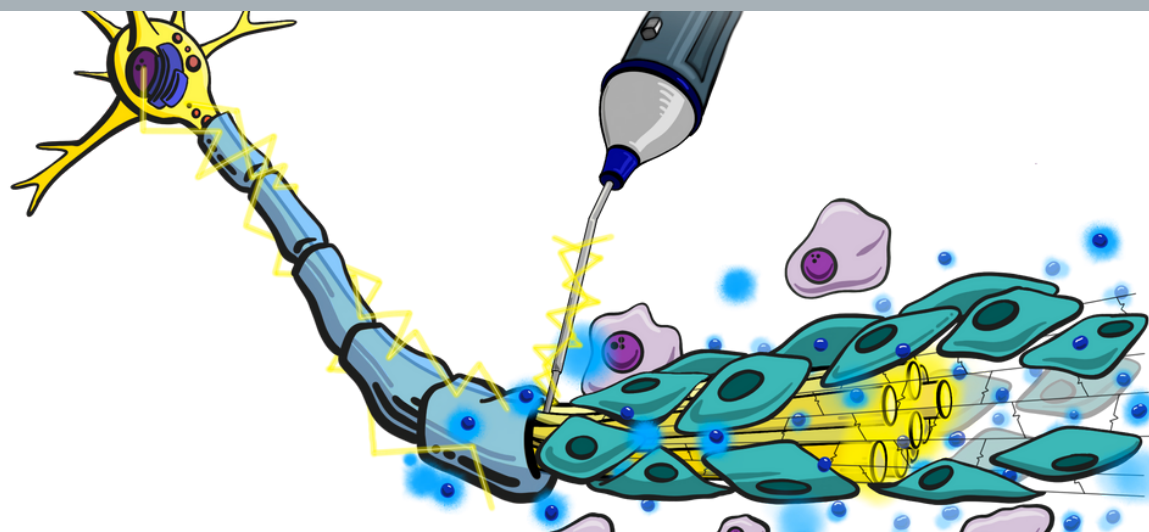

Illustration by Luke Juckett was published as the cover for Biomolecules Issue 12.

## TED Talk

[How to stop languishing and start finding flow](#)

## Article

The Challenge of Surgeons as Second Victims [article](#) featuring Dr. Pearson and Dr. Khansa

## Podcast

Want more on cleft palate? Listen to this [podcast](#) that features Dr. Baylis!

## Upcoming Conferences

- American Association for Hand Surgery (AAHS) January 17-21, 2023
- American Society for Peripheral Nerve (ASPN) January 20-22, 2023
- American Society for Reconstructive Microsurgery (ASRM) January 20-24, 2023
- Women Plastic Surgeons Symposium (WPS) February 2-5, 2023
- Academic Surgical Congress February 7-9, 2023
- American Council of Academic Plastic Surgeons- Winter Meeting (ACAPS) February 23-26, 2023
- Mountain West Society of Plastic Surgery (MWSPS) February 23-26, 2023

## Deadlines

Ohio Valley Society of Plastic Surgeons (OVSPS) **abstract** due February 1, 2023

Clinical **grants** for the American Foundation for Surgery of the Hand (AFSH) Letters of Intent due February 6, 2023; required before full grant submission.

American Society for Surgery of the Hand (ASSH) scientific paper and poster **abstracts** due March 15, 2023

# Reminders

Research office hours with Irene and Emily on Friday, January 20th from 10:30am-12:00pm in the library.

## Opportunities

Dr. Moore is seeking individuals with an interest in basic science starting Spring 2023. Contact Irene Kaptzan at Irene.Kaptzan@osumc.edu if interested.

### [CATALYST Clinical Scholars Program](#)

Click the link above for CATALYST. Clinical Scholars will receive the necessary support begin to develop a research program during their training and mentorship years with the goal of becoming productive independent researchers at program completion.

Pictured are NCH/OSU faculty, including Adriane Baylis, who attended the AAMC Mid-Career Women Faculty Leadership Development Seminar (MIDWIMS).

## Check it out!

Congrats Dr. Baylis as she is a [2022 Editor's Award Recipient](#).

[Click here](#) for Dr. Lee's recent publication in Annals of Surgical Oncology.

Congrats Luke Juckett's [article](#) in the Biomolecules journal!

Dr. Mitchell [interviewed](#) on Cincinnati Local 12's Towards a Cancer Free World.

Congrats to Dr. Czerniecki who will be presenting the abstract, Outcomes of Upper Extremity Reconstruction With a Combined Free Fibula Flap and Allograft Construct, at the Academic Surgical Congress in February.

Congrats, Dr. Khansa, as he mentored a first-year medical student, Valeria Gamarra, through the MDSR program, and she was able to successfully complete her project titled "Quality-of-Life in Children with Craniosynostosis".

[Click here](#) to check out the recent publication Dr. Sbrocchi, Dr. Kavanagh & Dr. Chao in the Annals of Surgical Oncology.

Congrats Julie West on her ePoster, Acute Flaccid Myelitis: A Treatment Algorithm Designed From Surgeon And Caregiver Experience, at PSRC in April!
