

Course Directors:

Matthew Old, MD
Associate Professor and Director, Division of Head and Neck Oncologic Surgery
Department of Otolaryngology - H&N Surgery
Program Director, Head and Neck Service Line
James Cancer Hospital/Solove Research Institute
The Ohio State University Wexner Medical Center

Chad Zender, MD
Associate Chief Medical Officer, UC Health
Center of Excellence Leader, Head and Neck, UC Cancer Institute
Professor Department of Otolaryngology - Head & Neck Surgery
University of Cincinnati College of Medicine

Faculty:

Amit Agrawal, MD
The Ohio State University

Keith Casper, MD
University of Michigan

Doug Chepeha, MD
University of Toronto

Peter Dziegielewski, MD
University of Florida

Nicole Fowler, MD
University Hospitals/ Case Western University

Tamer Ghanem, MD
Henry Ford Hospital

Jeff Houlton, MD
University of Washington

Kiran Kakarala, MD
University of Kansas

Stephen Kang, MD
The Ohio State University

Adam Luginbuhl, MD
Thomas Jefferson University

Mike Moore, MD
Indiana University

Enver Ozer, MD
The Ohio State University

Rod Rezaee, MD
University Hospitals/Case Western University

Sarah Rohde, MD
Vanderbilt University

Nolan Seim, MD
The Ohio State University

Alice Tang, MD
University of Cincinnati

Ted Teknos, MD
University Hospitals/Case Western University

Eric Thorpe, MD
Loyola University

Jason Thuener, MD
University Hospitals/Case Western University

Friday, September 27, 2019

6:00-7:30PM Reception for all - Faculty and Fellows and resection course
7:30-10:00PM Resection course dinner, Faculty/Fellows

Saturday, September 28, 2019

7:00AM Breakfast
7:30AM Introduction and Lecture
7:45AM Overview of Bone Flaps
Fibula
Scapula + Latissimus
OCRFFF
Serratus Rib
ALTO/other

8:45AM Review of Labs and Goal of AM
Harvest Flaps and Evaluate Defects

9:00AM Lab Harvest
1 hour per flap – Prosections concurrent
Microvascular stations (2), plating, other
Trap flap Prosection (JLN) concurrently

12:00PM BREAK
12:15PM Lunch and Recon Board
Mandibular and Maxilla Defects – med modeling, osteotomies, etc

1:30PM Lab - Insetting and Reconstruction
5:00PM Adjourned

6:30-9:30PM Course Dinner
Panel Lecture During Dessert: 7:45-9:30PM
Challenging Cases, Flap Disasters and What to do When All Goes Wrong
Questions and Answers

Sunday, September 29, 2019

7:00AM Breakfast
7:30AM Introduction and Review of Soft Tissue Flap Uses

9:00AM Dissections
RFFF, ALT, Lateral Arm, Latissimus, Gracillis, TDAP
Concurrent microvascular stations (2), plating, other

- 12:00PM Lunch and Reconstruction Tumor Board: Soft tissue defects
Soft tissue defects (oral cavity, oropharynx, pharynx, skin)
- 1:30PM Further flap harvests and inseting
Oral Cavity
Oropharynx
Pharynx
Skin Defect (Parotid, Face, Scalp)
- 5:00PM Adjourn
