

## Are you interested in a Research Study about Nasal Congestion and Smell Loss?

### You May Be Eligible to Participate If:

- You are age 18 to 70.
- You are healthy and have no nasal complaints.

---

The Ohio State Department of Otolaryngology is currently enrolling **healthy individuals**. This is a noninvasive research study evaluating complaints of chronic nasal obstruction as well as smell loss.

The study requires about 2-3 hours of your time, during which you will undergo odor and irritation detection tests, a CT scan, and measurements of nasal airflow and volume.

A total of 3 visits may be required. You will be compensated for your time. For each visit, the compensation may range from \$20 to \$75, which will be mailed to you after the visit.
