

**OSU Medical Complex**  
**Institute for Behavioral Medicine Research (IBMR)**  
460 Medical Center Drive, Columbus, OH 43210

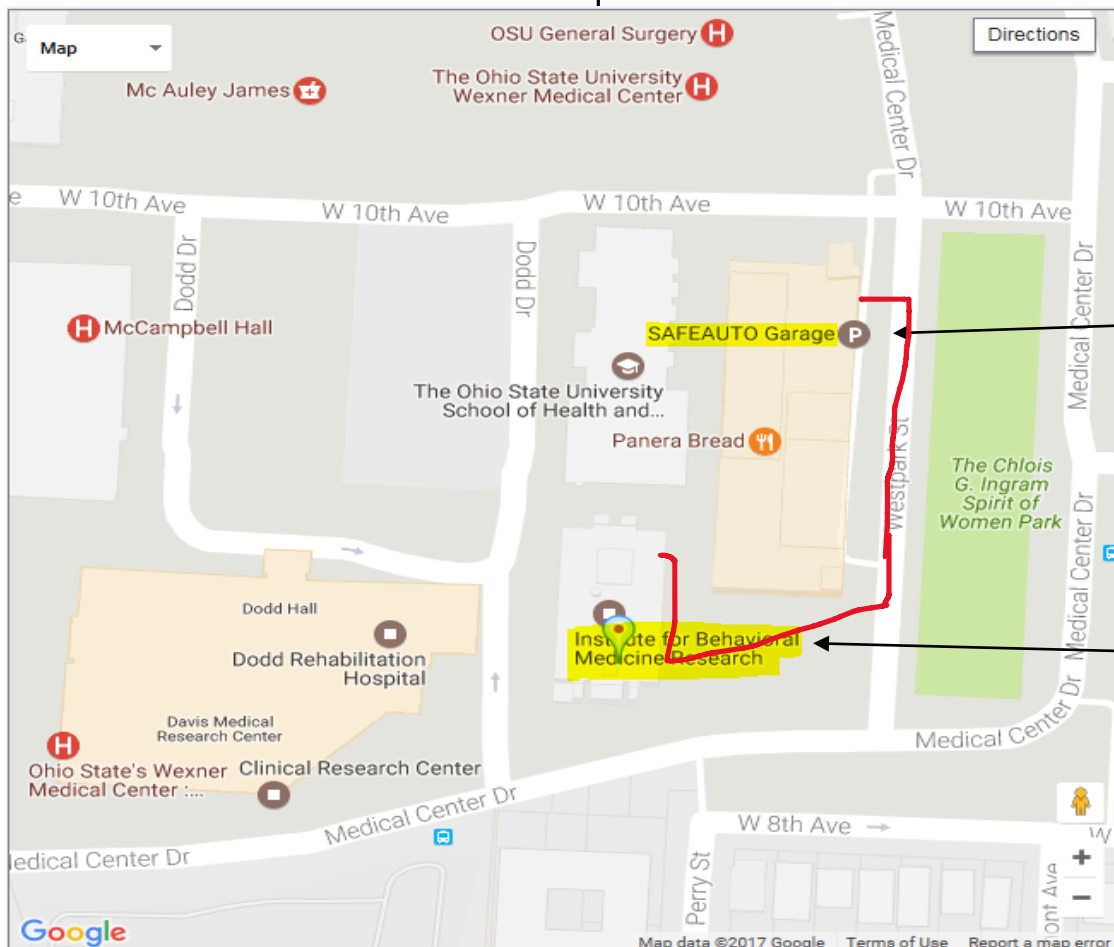

Your visit takes place in **Room 139** of the **Institute for Behavioral Medicine Research (IBMR)**. You can park in the **SafeAuto Hospital Garage**, located off of Westpark Street. There is an hourly fee for parking in this garage. You will be given a reimbursement voucher for parking.

**Please follow these walking directions to get from the SafeAuto parking garage to the IBMR:**

- Exit the garage the same way you came in (on Westpark Street)
- Turn right and walk down the sidewalk until you're past the corner of the parking garage
- Take diagonal sidewalk (on right) towards Medical Center Drive
- Once you reach the flashing crosswalk, take a hard right (you are standing at the corner of IBMR)
- You cannot enter the double doors at this corner of the building--- therefore, walk alongside the IBMR (you'll be walking along the backside of the parking garage) until you reach the northeast corner of the building
- Enter the IBMR by going down the steps and through the sliding glass doors
- Once you enter the building, turn left immediately and walk down the hall to the end of the hallway. Then turn right to find **Room 139** (on your right, across from the elevators).

**Problems finding the right place?** Call our office at 614-293-4736

\*Please note: Our building address is 460 Medical Center Dr. NOT 460 W. 10<sup>TH</sup> Ave which is the James Cancer Hospital.
