Penn State University Ability Athletic Program
Penn State University's Ability Athletics program has become Paralympic Sport University Park to allow other persons with physical disabilities to enjoy the same benefit of use of Penn State facilities in an outreach program to all disabled in the community. The program offers open gyms, sports clinics, and resources for sports competition in international circles. They also assist veterans and work to teach teachers how to start programs in their communities. It is a USA Paralympic sports club.
Sports offered: track and field, cycling, golf, powerlifting, swimming, sitting volleyball, sled hockey, wheelchair basketball, wheelchair fencing, wheelchair tennis
For more information:
• Contact: (814) 777-7004
• Email: txj3@psu.edu

Pittsburgh Steelwheelers
The Pittsburgh Steelwheelers is an organization that provides programs for physically challenged athletes from Western Pennsylvania, Eastern Ohio and Northern West Virginia who desire to participate in competitive sports such as Quad Rugby, Wheelchair Basketball and Hand Cycling. It provides an opportunity for persons with disabilities to achieve the sense of well-being and fulfillment that the players once enjoyed prior to their injuries.
Sports offered: quad rugby, handcycling, wheelchair basketball
For more information:
• Visit: http://www.steelwheelers.com/
• Contact: (412) 445-1060
Strong as Steel Adaptive Sports
Strong as Steel Adaptive Sports provides sport specific training and opportunities for children ages 5 to 21 with physical disabilities (ambulatory, wheelchair or visually impaired athletes) to attend local, regional and national competitions. This program aims to help develop physical strength and athletic skills while teaching perseverance and encouraging self-esteem. The program will focus on track and field but will allow athletes opportunities to branch out into other sports as interest and training opportunities exist. It is a USA Paralympic sports club.
Sports offered: track and field, table tennis, archery, powerlifting, swimming
