

This is the Lewis Center Building. You may park in any open spot.  
You do not need to pay for parking.

This is the entrance to the building.

You can walk right past the “Lab Registration” towards the “Outpatient Care” sign you see on the wall. This will take you to the elevators or stairs to get to the 2<sup>nd</sup> floor.

# Outpatient Care

Lewis Center

**1** Imaging\*  
Mammography\*  
Lab\*  
Orthopedics  
Podiatry  
Sports Medicine

**2** Family Medicine  
General Internal Medicine  
Pediatrics  
Physician Assistant  
Rheumatology

You can take the elevator to the 2<sup>nd</sup> floor to General Internal Medicine.

You can also take the stairs to the 2<sup>nd</sup> floor to RM 2200 Family Medicine, General Internal Medicine

Once on the 2<sup>nd</sup> floor go through this door to be checked in

Check in with one of the people at the registration desk. They will get you registered and let your doctor know you are here.

Have a seat in the waiting room. You will be called by staff to go through this door to your room to see the doctor

You will get your weight and vitals done here

Your exam room will look like this, this is where you will meet your doctor.

If follow-up appointment(s) needed, you will stop at this desk on the way out.

You will exit to the waiting room through this door to head back to your car

If labs are needed, you will be directed here.

Please feel free to bring your fidget, tablet and headphones to your appointment
