Connecting with your doctor’s office has never been easier
Join Updox Video Chat in four easy steps

1. Check your device
   Make sure you have your Apple or Android smartphone or any device with a working front-facing camera, audio/microphone, and internet connection.

2. Click invite link
   Click the invitation link that your physician or healthcare provider sends via text message or email.

3. Allow camera access
   Click ‘Allow webcam/camera’ so that your physician can see you during chat.

4. Allow microphone access
   Click ‘Allow microphone’ so that your physician can hear you during chat.
