If you choose a Medicare Advantage plan not listed above, effective Jan. 1, 2027, your care at Ohio State will not be covered by your insurance, and you'll be responsible for the cost of all services. You'll be required to meet with one of our financial counselors and pay a deposit prior to scheduling all appointments. Financial assistance may not be available or renewed for out-of-network charges.

There are a lot of factors to consider when choosing a health care plan. To help you make an informed decision, we've developed a checklist to use when you explore plan options (see back page). The checklist can help you choose a plan that's affordable, follows you where you travel and covers Ohio State doctors.

Ask the right questions. Choose the right plan.

There are a lot of questions to ask when choosing the right health insurance plan. We've created this checklist of questions to help you make the most informed decision.

- What's covered and what isn't covered on this plan?
- What are my out-of-pocket expenses? Co-pays? Deductible? Co-insurance?
- What's my out-of-pocket maximum?
- Does the plan cover out-of-state or out-of-network expenses if I need care while traveling?
- If I spend winters or other periods of the year out of state, will this plan cover my doctor visits there?
- Can I continue to see my current primary care doctor and other specialists on this plan?
List your physicians' names and their hospitals here.

- Outside of emergencies, which hospitals are included and which ones aren't?
- Does this plan cover care at the Ohio State Wexner Medical Center?
- Does this plan cover care at the OSUCCC – James?
- Does this plan cover care at any Ohio State Wexner Medical Center or OSUCCC – James inpatient or outpatient clinic?
- Will I need supplemental policies to cover any other health or medical expenses?
- For potential organ transplant candidates only: Does this plan list Ohio State Wexner Medical Center as in-network? (Transplant services aren't available at Ohio State's Comprehensive Transplant Center on an out-of-network basis.)
