

Ask the right questions. Choose the right plan.

There are a lot of questions to ask when choosing the right health insurance plan. We've created this checklist of questions to help you make the most informed decision.

- What is covered and what is not covered on this plan?
- What are my out-of-pocket expenses? And co-pays? And deductible? And co-insurance?
- What is my out-of-pocket maximum?
- Does the plan cover out-of-state or out-of-network expenses if I need care while traveling?
- If I spend winters or other periods of the year out of state, will this plan cover my doctor visits there?
- Can I continue to see my current primary care doctor and other specialists on this plan? List your physicians' names and their hospitals here.
