There are a lot of factors to consider when choosing a health care plan. To help you make an informed decision, we've developed a checklist to use when you explore plan options (see back page). The checklist can help you choose a plan that's affordable, follows you where you travel and covers Ohio State doctors.

# Ask the right questions. Choose the right plan.

- Does the plan cover out-of-state or out-of-network expenses if I need care while traveling?
- If I spend winters or other periods of the year out of state, will this plan cover my doctor visits there?
