

# Ask the right questions. Choose the right plan.

There are a lot of questions to ask when choosing the right Medicare Advantage plan. During your OneExchange enrollment consultation, be sure you get the answers you need to pick a plan that best fits your lifestyle and healthcare needs. We've created this checklist of questions to help you get started. You can also learn more about the OPERS retiree Medicare Advantage transition and set up a personal profile to prepare for your enrollment consultation at [medicare.oneexchange.com/opers](https://www.medicare.oneexchange.com/opers).

- What is covered and what is not covered on this plan?
- What are my out of pocket expenses? And co-pays?
- Does the plan cover out-of-state or out-of-network expenses if I need care while traveling?
- If I spend winters or other periods of the year out of state or out of network, will this plan cover my doctor visits there?
- Can I continue to see my current primary care doctor and other specialists on this plan? List your physicians' names here.
